

We Can "Top" Anyone!

Attention BBQ Contestants:

As the exclusive Rental equipment provider for the American Royal these past several years, we will again be handling your equipment needs for 2008. This year we will be streamlining the process of the Secondary Rental Equipment. This need is necessary due to the size of event the American Royal has become.

The Procedures will be as follows;

All Contestants must provide a credit card at time of booking, regardless if paying by check. (this is to guarantee payment for shortages that may occur at the conclusion of the weekend.)

All Tents, sidewall, tables, chairs, picket fence, lattice, lighting, stages, grills, beverage troughs, food warmers, etc. will be delivered to each individual space as we have in the past.

All Secondary Equipment will need to be picked up at designated areas at the Royal. A map will be provided for the pick up location with your order confirmation.

Secondary Equipment is as follows;

Linens, skirts, disposable tops & skirts, chafing dishes, beverage urns, food cambros, Etc.

All Contestants will need to provide a copy of their paid invoice, reflecting a zero balance (unless credit terms have been established) at time of secondary pick up. Pick up site will be manned from 9am to 5pm Thursday and Friday for your pick up. No orders can be placed at pick up areas, we will not have the extra equipment on site.

All Secondary Equipment returns need to be dropped off Sunday October 5 after 4pm. Any Secondary items not returned will be charged replacement cost to the credit card we have on file.

Remember, All orders must be placed no later then September 22nd. Any orders placed after that will be subject to additional charges. We appreciate your continued business. Feel free to call Val Verhaalen with any questions.

Respectfully

**Dave King

To confirm your order, We must have a signed rental agreement on file with your deposit. When ordering a tent we will need a layout map of how you want your space set up. When drawing your diagram please use directions of north, east, south or west, left and right, back and front. Example: space 309 tent is to be set in far right front corner of space. Give us as much information as possible. All Seasons Rental Crews start set up a week before your team moves in. If bad weather occurs, sidewall will NOT be hung on tents.
