Gelbvieh/Balancer Show

This will be a one division show: Gelbvieh and Balancer cattle will show together. A Balancer is a specific hybrid registered by the AGA with the following breed composition and documentation requirements:

A combination of ¼ to ¾ Gelbvieh and ¼ to ¾ Angus or Red Angus with a maximum of 1/8 unknown or other breed

The sire and dam must be recorded by an officially recognized organization (AGA, American Angus Association or Red Angus Association of America)

At least 75% of the pedigree must be known and documented by the AGA and/or another officially recognized registration association.

Note: 75% females that qualify to be registered as Balancer or Gelbvieh can be entered and shown in only one division and may NOT be switched after entry deadline.

All rules of the American Royal apply

Rules

1. All rules of the Junior Breeding Division apply.

2. The Royal will keep $75.00 per head entry fee and the balance will be remitted to the Kansas Gelbvieh Association to be used for premiums.

3. All animals must be properly tattooed, including herd prefix, and will be inspected at the show. Tattoos must be legible and must match registration papers.

4. All cattle must meet the health requirements set out by the show management. Any deviation from the health requirements will be just cause for immediate disqualification from the show.

5. Heifers must be registered solely in the junior exhibitor's name on or before September 12th, 2017. Animals registered in the family name or two or more juniors' names are not eligible to show in the junior show. This applies even if an animal is registered in a farm or ranch name and the junior member is the only person listed on that membership. Bred and owned animals must be owned solely by the junior exhibitor on or before September 12th, 2017.

6. All protests against exhibitors, dealing with age or genetic background of show cattle, must be in writing and signed by five active members of the AGA and accompanied by a deposit of $500 cash or certified check which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint or appeal and must be delivered to the office of the Livestock Show Manager within one hour after the occasion of such protest, or if age is brought into question, on the day prior to the one on which the animals are to be judged.

7. Heifers that show in this division are not eligible for any other breed show except for the Open Balancer/Gelbvieh show. Heifers showing in this division are not eligible for the Supreme Junior Breeding Heifer Show.

8. Exhibitors of the Champion Gelbvieh/Balancer Junior Heifer qualifies to show in the Supreme Heifer Drive. Any exhibitor choosing not to compete as the breed champion will not receive a scholarship and that breed will not be represented in the Supreme Champion line-up. Exhibitors of these champions should be present to show their own animal(s) unless prior permission is given by show management.

9. Heifers will show by age in the classes listed below.

10. Show management reserves the right to break large classes if deemed necessary, in which case the monies may be split.

Age Requirement:

The Gelbvieh Jr Heifer show will follow the Junior Gelbvieh Association's age requirements. Exhibitors must be between 8-21 years old as of January 1.

Special arrangements can be made beforehand for exhibitors that may need assistance while in the show ring.

ANIMALS SHOWN IN THE JUNIOR SHOW MAY SHOW IN EITHER THE GELBVIEH OR BALANCER DIVISIONS IN THE OPEN SHOW.

Supreme Champion Junior Breeding Heifer

The Grand Champion Gelbvieh Junior Heifer qualifies to compete for the Supreme Champion Junior Breeding Heifer of the 2017 American Royal Livestock Show on Sunday, October 29th, 2017 at noon. The Supreme Champion will receive a $5,000 scholarship and the remaining breed champions exhibited will each receive a $500 scholarship.

Scholarships are presented only for advanced educational purposes of the winners. The sums assigned annually as scholarships will be maintained by the American Royal until such time as the recipients have enrolled and demonstrate that said recipients have enrolled and demonstrate that said funds will be directed to scholarship purposes. These scholarships are non-transferable. The funds shall be paid directly to the college or institution of advanced learning and/or training as approved by the Executive Committee of the American Royal.

Gelbvieh & Balancer Ring of Gold Point Show

This will be a two division show: Gelbvieh and Balancer cattle. A Balancer is a specific hybrid registered by the AGA with the following breed composition and documentation requirements:

- A combination of ¼ to ¾ Gelbvieh and ¼ to ¾ Angus or Red Angus with a maximum of 1/8 unknown or other breed and
- The sire and dam must be recorded by an officially recognized organization (AGA, American Angus Association or Red Angus Association of America) and
- At least 75% of the pedigree must be known and documented by the AGA and/or another officially recognized registration association.

Note: 75% females and bulls that qualify to be registered as a Balancer or Gelbvieh can be entered and shown in only one division and may NOT be switched after entry deadline.

Rules

1. American Royal entry forms properly filled out and accompanied by the appropriate fees must be postmarked, or submitted online by September 12th, 2017.

2. The Royal will keep $75.00 per head entry fee and the balance will be remitted to the Kansas Gelbvieh Association to be used for premiums.

3. All animals exhibited must be recorded in the name of the exhibitor by September 12th, 2017. A copy of the registration paper or an affidavit of registration must accompany each entry to the show. It is not necessary to mail registration certificates with entries. Rule adopted by AGA Board of directors in April 2012: "Percentage, purebred, and fullblood Gelbvieh females seventy-five (75%) percent to one hundred (100%) percent will show together in the Gelbvieh show. A 75% Gelbvieh female or bull that is 25% Angus or Red Angus can choose whether to show as Gelbvieh or Balancer at the time of entry. No changes can be made after entry deadline. A 75% Gelbvieh female or bull that is 25% other (Hereford, Simmental, etc.) does not have a choice and must show in the Gelbvieh Show". To qualify for the Balancer Show all cattle must meet the American Gelbvieh Association's rules for registration as a Balancer. Exhibitor must designate Gelbvieh or Balancer as breed on the entry form.

4. Gelbvieh and Balancer cattle will each compete within their respective shows. Group classes can be made up of a combination of Gelbvieh and Balancer cattle, but no group can be entirely made up of Balancers.

5. Cattle must be entered and exhibited under the recorded ownership at the time of the show entry deadline date. Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes.

6. All animals must be properly tattooed, including herd prefix, and will be inspected at the show. If that tattoo is illegible or does not correspond to registration certificate, the animal is ineligible to show or may be re-tattooed by the exhibitor and re-checked at the end of processing for a fee of $50, payable at the time.

7. All cattle must meet the health requirements set out by the show management. Any deviation from the health requirements will be just cause for immediate disqualification from the show.

8. Show committee prohibits the use of powders of any color. False tailheads are glued-on hair or hair-like substances are prohibited. Any use of glue to alter the natural conformation of the animals will be an automatic disqualification.

9. Proof of satisfactory semen evaluation for bulls twelve (12) months of age or older as of December 31 must be submitted at the time of check-in. Bulls over two (2) years of age must have a semen evaluation certificate issued within 90 days of the show.

10. **ALL BULLS MUST SHOW WITH A NOSELEAD**. Entry into the show ring without one will be an automatic disqualification. The right to disqualify from the show any animal deemed unmanageable is reserved by the Show Officials.

11. All females entered in junior yearling and senior yearling classes must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Exception to the rule of "safe in calf" will apply to a donor female that has produced fertile eggs in the current year, as verified in a written statement from a licensed veterinarian.

12. All females shown in the cow-calf class with a calf over 150 days of age must be bred back and must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Age of calf must not exceed 240 days as of the date of the show.

13. Any person found guilty of misrepresentation or not abiding by the show rules will be disqualified and denied the privilege of showing.

14. All protests against exhibitors, dealing with age or genetic background of show cattle, must be in writing and signed by five (5) active members of the AGA and accompanied by a deposit of $500.00 cash or certified

check which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complain or appeal and must be delivered to the office of the Livestock Show Manager within one hour after the occasion of such protest, or if age is brought into question, on the day prior to the one on which the animals are to be judged.

15. The AGA follows the National Show Ring Code of Ethics. If these codes of ethics are violated, disciplinary action will be taken by the AGA Executive Committee.

EPDS will be available in the show program and given to the judge to use at his discretion.

Show management reserves the right to break large classes, if deemed necessary, in which case the monies may be split.
