During these fast-paced learning opportunities in a small group format, students get to ask education and industry professionals about specific aspects of job interviews. These topic areas are universal to job and leadership interviews and provide students an opportunity to learn tips and refine their skills. Each session is 5-6 minutes. Students can attend as many sessions as they choose.

#### Session topics include:

- **How to Tell Your Story**
- **How to Handle Difficult Questions**
- **What are Your Strengths and Weaknesses**
- **How to Start a Conversation**
- **Resume Writing Tips & Tricks**

### Job Interview Session - American Royal Offices

*9:30-11:00 am (on-going) Registration required*

Students have the opportunity to practice interview skills during a mock job interview. Industry representatives will assist with interviews. Students will be asked to prepare a cover letter and resume and participate in a preliminary face-to-face interview. **Choose from the following job profiles to practice interview skills;**

- **Agricultural Sales**
- **Agricultural Communication**
- **Agricultural Loan Officer**
