COVID-19 Update:

As we look ahead to the American Royal season, we want to give you an update on our calendar of events. Our team, in consultation with our partners, local health officials and event sponsors, have explored and exhausted all options of modification that would enable us to be both safe and financially responsible to our not-for-profit organization and it has been determined that holding the Quarter Horse Show, PRCA ProRodeo, the World Series of BBQ and the Hunter/Jumper Show in 2020 are simply not feasible. We ARE proceeding with the remainder of the calendar of events as planned. Tablesteaks and Uptown Hoedown will be rescheduled to the Spring 2021.

With concerns surrounding the COVID-19 pandemic, the health and safety of our guests, community members, volunteers, and our employees is our top priority. We are working to make sure our operations will run smoothly and safely for all our attendees. The American Royal will continue to monitor the situation and work with state and local officials to make sure everyone has the best and safest experience possible.

As things change regularly, please stay up to date by following our social media pages and checking our website. The team is working hard planning events, feel free to reach out to us with any questions by phone 816-221-9800 or email info@americanroyal.com. We look forward to hosting all of you at our many events including our horse shows, livestock show, and barbecue. A time where you can be with family and friends and continue the 121 years of American Royal tradition.

Stay safe and we will see you all soon.
