- Full payment via Check – to be mailed to the American Royal offices

For teams opting to pay via check: Finishing your team's online registration without payment does not complete your registration. Registration data will be held until payment is received. **Team space assignments will NOT be made until the check payment is received.** It is strongly recommended to send the check immediately after you register if you would like your space honored. Teams paying via check and requesting same space/first right of refusal from 2022 must send check to the American Royal association by June 30, 2023. Full check payment must be received by August 31, 2023 in order to participate in the contest.

PAYING YOUR BALANCE – VIA CHECK

If you choose to pay your balance via check – the check must be received at the American Royal offices no later than August 31st. You will be notified when your check payment is received. Late payments may result in your team space being removed from the map.
