

# 89<sup>th</sup> American Royal Collegiate Crops Contest

## Superintendent:

Eric Fabrizio, Associate Director, Kansas Crop Improvement Association, Manhattan, KS

## Contest Coordinators

Dr. Kevin Donnelly, Department of Agronomy, Kansas State University, Manhattan, KS

Dr. Mindy DeVries, Department of Agronomy, Iowa State University, Ames, IA

The contest will be at 8:00 a.m., Tuesday, November 14 at:

National Grain Center  
10383 North Ambassador Drive  
Kansas City, MO 64153

## General Rules and Regulations

1. Institutions entitled to send competing teams: agricultural colleges and schools of similar rank and purpose in the United States and Internationally.
2. **Eligibility of Students:** three (3) regular members selected from undergraduate students of good standing shall represent an institution. Up to three (3) alternates may accompany the team if desired. A contestant may compete another year provided he/she as an individual did not place fifth or higher in either entire national contest (Kansas City or Chicago). Students must be registered in at least 12 semester hours of college work or the equivalent in quarter term hours and be in good academic standing.
3. The contest will be divided into three (3) divisions:
  - a. Grain Grading (8 samples)
  - b. Seed Analysis (10 samples)
  - c. Identification (200 samples)
4. All other rules are to coincide with the “2023 Official Rules and Regulations” manual published by the Collegiate Crops Contest Committee. A committee of coaches and the Superintendent are responsible for organizing the logistics of the contest.
