The steak will need to be submitted in the box that was provided at check-in.

KCBS rules on garnish do **NOT** apply; there are no rules on garnish.

Rules/Regulations:

- All children will cook in a designated area on grills provided. Grills are property of the American Royal Association and need to be left at the cook-site once complete. (Weber Smokey Joes)
- Protein will be provided by the American Royal. All submissions for the competition **MUST** use the meat/protein provided by the American Royal.
- All Kids Que Competitors must be sponsored by a registered 2023 American Royal Open Contest team.
- A parent or guardian must be present for the child during the entire cooking competition. Our cooking space is limited and for safety reasons, we want to give the kids as much space between each other as possible.
- Each Contestant may have one adult at their space at any given time during the contest.
- Due to space limitations, parents and guardians cannot bring folding chairs or other seating into the Kids Que area. Parents who wish to stay within the cooking area must remain standing. Folding chairs must remain outside the cooking area.
- Each participant may bring one storage container for supplies. Containers will be stored underneath the participants table. Please select a container no bigger than the following dimensions: 25" L x 28" W x 17" H. Find an example [here](#).
- Entries will be submitted in the numbered containers/clam shells provided by the American Royal.
- Slicing meat for presentation is not required. If needed, judges will be equipped to slice the meat presented at the judging table.
- Judging will be based on appearance, tenderness/texture and taste. (KCBS Rules)
- Scoring will range from nine (highest) to one (lowest).
- All contestants and parents/guardians must wear closed toed shoes.

PREPARATION

- The **child** must prepare, cook and present each entry. If a child is unable to do this, he/she is too young to cook. Children will place his/her meat on the grill, turn his/her meat on the grill, remove meat from the grill and garnish. If your child cannot do this, then the child should not participate in the contest.
- The **parent or guardian** may help with lighting the fire or slicing. Other than slicing, the adult should not be touching any food. This is a children's cooking contest, not an adult one. If an adult is caught handling the food and doing what the child is capable of doing, there will be a verbal warning. Second time caught, the child and adult will be disqualified and asked to leave. *Please don't get your child disqualified because you can't let the child do his/her own cooking.*
- Children who require ADA assistance are encouraged to compete. Each child will be assigned an assistant other than the supervising adult, if needed. The child must first attempt, multiple times on their own, to perform a task. Only if unable to perform that task will the assistant help. The assistant will help as little as possible and will encourage the child to complete as many task on their own as possible.
